

CLASS OF 1980 REUNION CANCELLATION:

With less than 3 months to the 40th Reunion, the Planning Committee has made the decision to CANCEL the reunion on 10/17/2020. With everything going on in the world, we feel that cancelling is the best for everyone.

We are now planning to reschedule in August or September of 2021.

For those of you who have paid, payments will count toward the rescheduled event. Should you not be able to attend on the rescheduled date, your money will be refunded next year.

If you move, change your email address or mobile #, please send your updated information to dhsclassof1980reunion@comcast.net .

The Committee is planning to reconvene in January, 2021. We would love to hear your ideas for next year's reunion. Please send them to the above email address.
